

## **PRAYER REQUESTS AUGUST 27<sup>TH</sup> 2010**

*We remember in our prayers this week:*

Those residents who stay in the Mission Hospice. That through this journey we may brighten their days and provide hope and encouragement through service to their needs.

We are grateful to God for sending us such wonderful volunteers. Their enthusiasm and support are felt by residents and staff alike.

We pray for Richard and Victor who just graduated from the Mission's LifeHouse Addiction Treatment program. That as their journey continues, they continue to know that The Mission will support them in our thoughts and prayers.

For those in the community who have continued to support The Mission with donations of funds and clothing through the summer months. We pray these donors know how precious the needs are and how much their contribution is appreciated.

*Let Us Pray To The Lord.*
