

PRAYER REQUESTS – FEBRUARY 19TH, 2010

We remember in our prayers this week:

Many Christians have begun the season of Lent. As we join them in this journey we are reminded of the importance of Christ in our lives and how his example is to transform what we do.

We pray for those whose illness does not allow them to have hope in the future. May we all strive to help them in their journey and pray that they discover the Hope that Jesus has in them.

We ask you to remember Tansen in your prayers. He is estranged from his family and is missing his son. Tansen also has difficulty taking his much needed medications. May we find a way to reach him and guide him to new health.

We give thanks to all of our volunteers. It is only through their generous service to the homeless that the Ottawa Mission is allowed to meet the needs of our clients.

Let Us Pray To The Lord.
